

February 2008

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
<i>First sorrow, then hope. First the fast and then the feast. First the recognition that we are nothing but the earth from which we came and it is there that we are heading and then...What? Now - Ash Wednesday, February 6, 2008 - is the day that God offers salvation. The day that liturgically, offers reminders of sorrow and of fasting even as it promises Easter. Even as it presents the hope of life eternal, a never-ending feast at which there will be no more sorrow and no more tears.</i>					1	2
